PUBLIC WORKS

Blind Pass Road Construction Updates:
- The street surface between 73rd and 75th will be completed toward the beginning of March 2020.
- The installation of the stormwater pipe is on schedule to be completed by the end of this week. The final run is on 72nd Ave.
- The curb/gutters between 71st and 72nd are on pace for completion by the end of next week.
- The final streetlight at the Southeast corner of Corey Avenue and Blind Pass Road will be installed upon removal of the large concrete pole.
- Sod will be installed throughout the construction area at the end of February, prior to final paving.

Undergrounding Electric and Sewer Projects Public Forum 2/11/2020

Thank you to all who were able to attend the Public Forum regarding the upcoming projects in St. Pete Beach. As we approach the start date of construction, you will see our efforts in communication increase by means of email news, SPB Connects (our app), social media, and a page dedicated to current news/updates on the city website, stpetebeach.org. Click here for the outline and details from the February 11th Public Forum.

DID YOU KNOW?

The City of St. Pete Beach Commission Meetings and Board Meetings are now streaming on Facebook Live. This means you have the freedom to watch the meeting on live stream or on-demand on our Facebook page. *Please note that any comments made during the meeting are not able to be answered or included in the meeting minutes.

CODE ENFORCEMENT

The City Commission’s Special Magistrate meets the 2nd Monday of every month. Code Enforcement would like residents to be advised that the City has a monthly rental policy, except in the PAG and RM zoning districts, and that advertising for less than a month is a violation.

Code Enforcement will be starting beach inspections in May to coincide with the beginning of turtle season and ask that residents, especially beach facing properties, be mindful of lighting regulations.
