~COYOTE SIGHTINGS—There have been reported coyote sightings in St. Pete Beach recently, so we want to make sure you have information on what to do should you come in contact with one. Pinellas County Animal Services "Coyotes" web page at: <http://www.pinellascounty.org/animalservices/coyotes/index.html> has good information and there is a "Report a Coyote Sighting" form, which is linked to the countywide sightings map (shows 2009-2012).

~NEW FIRE RESCUE LADDER TRUCK - Pictured below is the recently purchased ladder truck, 90% paid for with grant money. The truck will work from the north station at 7300 Gulf Blvd.

Pinellas County Sheriff's Office Programs:

Sheriff's Alarm Registration Program (SHARP)

The Pinellas County Sheriff's Office invites residents to register their alarms through SHARP. A 2009 Pinellas County ordinance requires home and business owners to register their alarm systems with the Pinellas County Sheriff's Alarm Registration Program or "SHARP." The aim of the ordinance is to reduce the number of false alarms in the sheriff's jurisdiction, and the time it takes for deputy sheriffs to respond to them. Fewer false alarms will contribute to the efficiency of deputy sheriffs on patrol as they are better able to spend their time responding to calls for service. There is no registration fee to sign up with SHARP. Alarm subscribers registered with Sharp will receive a warning for the first two false alarms within a year. More than two false alarms will be subject to a schedule of fines. For more information or to register on-line visit <http://www.pcsoweb.com/operations/programs-and-services/sharp/>.

Pinellas County Animal Rescue and Entry System (CARES)

If you have found an animal or if you are looking for you own pet, check the Pinellas Sheriff's Office "CARES" site at www.pcsoweb.com/cares/. Our pets are part of our family and when they are lost, a part of us is lost as well. The Pinellas County Sheriff's Office created a website that is available to enter a lost or found animal without delay. "PCSO C.A.R.E.S" (Pinellas County Animal Rescue and Entry System) site is available 24 hours a day. Posting or listing a lost or found pet on the website does not guarantee that you will find your lost pet or the original owners. It is a tool, however, that will help expand the scope of your search. With the implementation of this site it is our hope that the Pinellas County Sheriff's Office can help reunite a beloved pet with its family.

Vacation House Checks

The Pinellas County Sheriff's Office offers house checks while you're away from your home for an extended period of time. To sign up for this service you will need to provide the following information: your date of departure and the date of return (if you are a seasonal resident, please estimate your return); the address; the homeowner's name; a phone number where the homeowner may be reached while away; the address of your destination; a local contact (family member, friend or neighbor); and please share whether or not someone else will have access to your home. Also, please advise if you will leave the lights or TV on a timer; if you have pets on the premises; and if you have lawn maintenance. Call (727)582-6177 to schedule your house check.
