~SUMMER CAMPS FOR KIDS AT THE ST. PETE BEACH COMMUNITY CENTER -

Registration starts March 28th at The St. Pete Beach Community Center, 7701 Boca Ciega Drive, for full and half day summer camps. Programs are being offered for children completed Kindergarten through 6th grade. Our full day camp program will keep kids entertained all summer long with weekly field trips, swimming, and indoor & outdoor activities. If your child has a more specific interest we are also offering half-day specialty camps such as Archery, Basketball, Robotics and more. For more information, including registration paperwork, visit our website www.spbrec.com or call us at 727.363.9245.

~"EVERY CHILD A SWIMMER PROGRAM"- The City of St. Pete Beach is proud to announce our partnership with Kiwanis of Gulf Beaches to offer the Every Child A Swimmer program. Every Child A Swimmer (ECAS) Project offers to Elementary School age children, by the Kiwanis family, the first and only permanent solution to the senseless, escalating drowning problem. The mission of the program is to reduce the number of child deaths from drowning by teaching them water safety and swimming basics. The program runs from May 9th to May 26th with classes held Monday through Thursday of each week and those selected will have a choice of a 6:30pm or 7:15pm class time. Registration is limited and those interested can sign up on a first-come basis at The St. Pete Beach Aquatic Center from 6:30pm to 8:00pm on Thursday, May 5th. A parent or guardian must be present to complete paperwork and each child will be water tested at this time. For more information about classes and registration call the St. Pete Beach Aquatic Center at 727.363.9245.

The program received a generous donation from the Fish Broil and Mullet Festival, LLC in February to assist in offering free swim lessons to those in our community. To make a donation or volunteer for the program contact Kiwanis of Gulf Beaches president, Richard Thobe at 727.510.0582 or www.KiwanisGulfBeaches.com

~MESSAGE FROM PUBLIC SERVICES— Pass-A-Grille Way Construction Update~Over the next three weeks, Nelson Construction is planning to work on the following activities. This planning is based on the Project team (Nelson, the City, the Engineer of Record, Pinellas County, Duke, Verizon, Bright House, Teco People's Gas, etc.) being able to resolve the outstanding conflicts and discrepancies in a timely manner, and barring the unforeseen conflicts and obstructions that arise on an almost daily basis.

Over the next three weeks:

- Pressure test, chlorinate, obtain DEP clearance, and tie in potable water between West Maritana and Cabrillo
- Continue the installation of potable water pipes between 32nd Ave and Cabrillo
- Finish prepping the utility conduit in Phase 1 for use
- Finish storm drain in Phase 1 with the exception of Cabrillo outfall
- Start clearing and demolition of sidewalk and curb between 30th Ave and 26th Ave
- Start preparing the gravel detour along the west right of way between 28th Ave and 26th Ave
