

RFP for Aesthetic Lighting for Landscape Medians

Addendum #1

10/07/13

1. As asked during the pre-bid meeting, the solar collector used as basis of design is from Solar Street Lights, their Brilliant Sun WattMaker series. The panel wattage and dimensions of the panel are shown on drawing E-2.

The question/answer period has now closed.

Acknowledgement of Addendum

I, _____, hereby acknowledge receipt of the above addendum to the RFP. I understand that the addendum is a modification to the RFP and have taken all changes, additions, deletions, and scope clarifications into account prior to submitting my bid.
