

# *Current Building Codes*

---

The City of St. Pete Beach reviews plans and issues permits under the following codes:

- The Florida Building Code (Effective October 1, 2007)
- The Florida Fire Prevention Code 2007 Edition
- The Pinellas County Coastal Construction Code (12/10/01)

Copies of the above codes are available at construction bookstores or from:

[International Codes Council Store](#)
