

NOTICE

St. Pete Beach 2019 Road Milling and Paving, Asphalt Surface Crack Sealing and Micro-Surfacing Restoration Program

The City of St. Pete Beach has contracted with Asphalt Paving Systems, Inc. for the road paving and restoration of your street. As with all paving projects, the work is expected to cause minor delays and inconveniences. During working hours: 7:30am to 6pm Monday thru Saturday, limited access to the road being actively worked on will be maintained by the workers onsite who will be directing traffic. During non-working hours you will have full access to roads being re-surfaced.

SOME OF THE ROADS WILL BE MILLED AND RESHAPED BEFORE APPLYING A NEW LIFT OF ASPHALT. THERE MAY BE UP TO A 2 INCH ELEVATION DROP SO PLEASE TRAVEL SLOWLY WITH CAUTION.

To ensure the work can be performed, your cooperation is needed:

PLEASE ENSURE THAT NO VEHICLES, BOATS, TRAILERS, SPRINKLERS, DEBRIS, OR OTHER ITEMS ARE LEFT IN THE ROADWAY FROM 7:30 AM TO 6:00 PM DAILY.

APPROXIMATE PAVING DATES: September 16-26

If you have any immediate concerns during paving operations, please call Asphalt Paving Systems at 813-788-0010.

For all other questions concerning the paving program please call Public Works at (727) 363-9243.
