

The Friends of the St. Pete Beach Public Library Roberta L. Whipple Fund

As you know, we lost our beloved library administrator,
Roberta, on December 16, 2009.

One of Roberta's main passions in life was "her" library.
A native of St. Pete Beach, she grew up using this library,
and in 1994 her dream came true,
to come home to head the St. Pete Beach Public Library.

The Friends of the Library have created this fund
to provide a lasting tribute to her at the library.
