Employees who wish to be considered for the vacancy must complete a new online application found on the HR page of the City's website

8.03 POOL OF QUALIFIED APPLICANTS

3. The employee's past performance record with the City.

When factors 1, 2 and 3 are relatively equal in the opinion of the City, time of continuous service in the Department and with the City, in that order, will be given preference.

B. When the posting is not restricted to City employees, the Director will consider factors 1, 2 and 3 for employees and factor 1, plus the outside applicant's references and past work-related experience and performance with other employers. When, in the opinion of the Director, all factors are considered relatively equal among all qualified applicants, City employees will be given preference, and as among them, time of continuous service with the Department and the City, in that order, will be given preference.

2. A demoted employee will be required to serve a new probationary period and will be eligible for consideration for a merit pay increase on October 1st after the completion of the new probationary period, provided the employee is not at the top of the pay grade. All demotions must be at the direction of the Department Director concerned, reviewed by the HR Administrator for compliance with all related PRR and approved by the City Manager.

The City Manager reserves the right to determine the knowledge, skills and abilities of the positions impacted

9.04 PERMANENT LAYOFFS

In some cases, the City may utilize a layoff under circumstances where there is no reasonable expectation to return to work. Such layoffs will be designated permanent and the employees laid off shall not be eligible for recall.

A. Full-time employees who have completed their initial probationary period and who are scheduled to be laid off for lack of work, funds or other reasons where there is no fault on the part of the employee shall be eligible to receive severance pay as follows:

1. One (1) week of pay at their straight time hourly rate or salary, whichever applies, less statutory deductions, for each full year of service as an employee of St. Pete Beach, capped at twelve (12) weeks.

Employees are required to call or text before they are scheduled to report to work when they are going to be absent or late. (Check with your Supervisor or Director for specific instructions that pertain to your department). Hourly employees who fail to call in before the employee's shift begins will be subject to discipline, unless the Director is satisfied that the failure to call in was for a reason beyond the employee's control. Such instances will be recorded as unscheduled PTO.

10.03 VERIFICATION

The Director may require an employee to establish to his satisfaction that an absence or tardiness was for a legitimate reason. Such proof, in the case of sickness or injury, may include the presentation of a medical doctor's excuse from a doctor acceptable to the City.

If no one is available to speak with the employee, the employee must leave a contact number where they can be reached.

SECTION 11

DISCIPLINARY ACTION

11.01 GENERAL STATEMENT

It is the hope of the City that effective supervision and employee relations will avoid most difficulties which otherwise might necessitate discipline of employees. However, when disciplinary action becomes necessary, the City recognizes the fact that each situation differs in many respects from others that may be similar in some ways. Thus, the City retains the right to treat each incident on an individual basis without creating a precedence for other cases which may arise in the future as to a particular employee or group of employees and to determine the appropriate discipline in every matter on a case by case basis. Note that this Section 11 does not apply to employees who serve at the will and pleasure of the City Manager.

11.02 FORMS OF DISCIPLINE

- A. The City recognizes the following types of discipline:
 - 1. Verbal reprimands.
 - 2. Written reprimands.
 - 3. Suspension without pay.
 - 4. Demotion.
 - 5. Combination of the above.
 - 6. Termination of employment.
- B. A Director may also combine a probationary period not to exceed six (6) months with all forms of discipline except termination.
- C. The Director, or his designee, will consult with HR in deciding appropriate disciplinary action greater than a written reprimand. However, the Director may place the employee on administrative leave with pay to the next regular workday of the City (Monday through Friday) if the Director deems it is operationally necessary. The Director shall then immediately consult with HR, to determine whether temporary suspension without pay or additional administrative leave is appropriate pending completion of an investigation and a final decision as to the appropriate disciplinary action, if any.

The City Manager will determine if at-will employees will continue administrative leave past the first day and if so, whether it will be with or without pay.

11.03 APPLICATION OF DISCIPLINARY ACTION

- A. Verbal and written warnings for regular full-time employees may be given for any reason listed in Section 11.05, Group I or Group II, or for any other just cause.
- B. Subject to Section 11.02(C), regular full-time employees may be suspended without pay temporarily pending investigation and final determination of possible disciplinary action.
- C. Subject to Sections 1.02(B), (C) and (D), 3.14(A), 4.05, 11.03(B) and 11.06(A), regular full-time employees who have completed their initial probationary period may be suspended without pay, demoted for disciplinary reasons or terminated for any reason listed in Section 11.05 below, or for any other just cause.
- D. Before an employee is temporarily suspended without pay if the employee is available, the Director, or his designee, will advise the employee of and the reason for the temporary suspension and give the employee the opportunity to explain his position verbally or in writing.
- E. All other employees serve at the will and pleasure of the City Manager and may be subject to discipline, up to and including termination, as he deems appropriate subject only to applicable law.

11.04 NOTICE OF DISCIPLINARY ACTION AND PRE-DISCIPLINARY PROCEDURE

- A. *Pre-Disciplinary Procedure.* When a Director is considering suspension without pay, other than temporary pending a final decision, demotion or termination of a regular full-time employee who has completed his initial probationary period:
 - 1. The employee shall be given written notice of the reason such disciplinary action is being considered, the names of the witnesses, a summary of the information on which the Director relies and an opportunity to present his position either verbally or in writing to the Director before the decision is made. Notice shall be complete upon either personally handing it to the employee or mailing it to the employee's address as contained in the City personnel file.
 - 2. The Director, with the approval of the City Manager, may suspend the employee without pay immediately pending the ultimate decision, provided the employee shall be given an opportunity to explain his position before the temporary suspension without pay.

3. If after considering all of the evidence before him, the Director decides to suspend the employee without pay, demote or terminate, he shall notify the employee in writing of the decision and the reasons therefore, and advise the employee of his right to a due process hearing under Section 12.02 – Appeal Procedure.

In all cases of written reprimand, probation, suspension without pay, demotion, any combination of same, or termination; the regular full-time employee will be notified in writing of the action taken and a copy of such notice shall be retained by the City in the employee's personnel file. If the employee is exonerated the City will place a memorandum in the file stating that the employee was exonerated, and the employee shall be provided back pay, less interim earnings, and deductions for periods the employee was unable to work due to the temporary suspension.

Nothing herein shall be construed to limit disciplinary action to the sample offenses enumerated below, and suspension without pay, demotion or termination may be for any just cause.

This paragraph provides recommended but not mandatory penalties to apply to the specific example offenses listed here; however, the penalty utilized shall be discretionary with management in all matters of discipline and nothing herein shall require that a particular form of discipline be utilized in any case prior to the utilization of another form of discipline.

SECTION 12

Any employee who is terminated and the former employee contends that, in relation to the termination, false statements that are damaging to the employee's reputation have been made public or placed in the former employee's personnel file, the former employee is entitled to a Name Clearing Hearing. The purpose of the hearing is to afford the former employee an opportunity to clear his/her name by responding to the statements. The hearing will not serve as any type of appeal of the termination or to gain reinstatement. Every former employee is NOT entitled to a Name Clearing hearing. Such a hearing is only required when any statement relating to termination "stigmatizes" the former employee's reputation and the former employee denies the truth of the statements. A statement is stigmatizing if it involves allegations of dishonesty, immorality or other conduct which may damage the former employee's reputation among associates and impair his/her ability to obtain other employment. Examples include: falsifying records, misappropriating City property or funds, mental instability or statements that the employee is untruthful, untrustworthy, unethical or has demonstrated poor judgment, or has committed a crime or immoral act.
- B. A request for a Name Clearing Hearing must be made by the employee in writing within 14 calendar days from the effective date of termination. If the employee has appealed his/her termination as set forth above, the employee has 14 days after receiving the City Manager's Findings of Facts and Conclusions of law that uphold the termination to make a request for a Name Clearing Hearing. Failure of a former employee to request this hearing on a timely basis is a waiver. Any request for a Name Clearing Hearing must identify the specific statements the former

employee contends are false. At the hearing the former employee will be allowed to present testimony from him or herself and witnesses and documents to support the former employee's allegations that the statements at issue are untrue. Either the City Manager or a person designated by the City Manager will act as the hearing officer. The hearing officer will not be the former supervisor of the former employee.

- C. The hearing will not consist of or result in the formulation of any conclusions or the nullification of the termination. The sole purpose is to provide an opportunity for a former employee to present information to clear his/her name. Within 30 days after the hearing, the hearing officer will issue a written report summarizing the evidence presented. A copy of the report will be placed in the former employee's personnel file along with a transcript of the hearing provided that the former employee has provided the court reporter for the hearing and provided a copy of the transcript to the City.

SECTION 13

EMPLOYEE GRIEVANCE PROCEDURE – WRITTEN WARNINGS AND NON-DISCIPLINARY MATTERS

13.01 PURPOSE

It is the purpose of this grievance procedure to assure employees that written warnings and non-disciplinary problems and complaints arising under the PRR will be considered fairly, rapidly and without reprisal. It is expected that the procedures set forth below will encourage employees to discuss with their supervisor matters pertaining to conditions of employment as they affect individual employees. In addition, free discussion between employees and supervisors will lead to better understanding of practices, policies, and procedures which affect employees. This will serve to identify and eliminate conditions which may cause misunderstandings and grievances.

13.02 DEFINITION OF A GRIEVANCE

A grievance is a complaint about a written warning on the misapplication or misinterpretation of these rules or applicable Departmental rules and regulations. Discipline except written warnings shall not be considered under this Section, but only under Section 12.

13.03 PROCEDURE

- A. Step one: An employee shall present his complaint to his immediate Supervisor within five (5) working days from the time of occurrence of the problem. The Supervisor shall attempt to resolve the problem within five (5) working days after the complaint is made to him.
- B. Step two: If the employee has not received an answer from the immediate supervisor within five (5) working days, or if the employee feels the answer received is not satisfactory, he will put in writing the facts and circumstances of the problem and present the written statement to his Director within five (5) working days after the Supervisor's deadline in Step one. Assistance will be provided by HR, if requested, including for those employees who cannot read or write or have a language problem. The Director will investigate the grievance and meet with the employee to discuss the grievance within five (5) working days. The Director will notify the employee of his decision within five (5) working days following the meeting date.
- C. Step three: If the employee has not received an answer from the Director within five (5) working days, or if the employee feels the answer received is not satisfactory, he will put in writing the facts and circumstances of the problem and present the written statement to the City Manager within five

(5) working days after the Director's deadline in Step two. Assistance will be provided by HR, if requested, including for those employees who cannot read or write or have a language problem. The City Manager will investigate the grievance and meet with the employee to discuss the grievance within five (5) working days. The City Manager will notify the employee of his decision.

SECTION 14

- A. The regular Workweek for regular full-time employees shall be forty (40) hours in a seven (7) day period. The workweek is Midnight Sunday to 11:59 p.m. the following Saturday. The City Manager may establish the basic work schedule and hours of work best suited to meet the needs of the departments and the City to provide proper service to the community. Nothing in these rules shall be construed as a guarantee or limitation of the number of hours to be worked per week.
- B. The basic work schedule shall be from Monday through Friday of each week unless specified or scheduled by the City Manager to meet the particular requirements of the City or individual departments. When the City Manager deems it necessary, work schedules may be established other than the basic Monday through Friday schedule.

14.03 OVERTIME*

Except for employees on a Section 7(K) schedule in the Fire Department:

- A. Hourly employees shall be paid at a rate of one and one-half ($1\frac{1}{2}$) their regular hourly rate when they work more than forty (40) hours in the Workweek period unless they take comp time pursuant to (C) below.

- B. There shall not be any duplication of overtime or premium pay.
- C. Hourly employees may be allowed or required to take comp time in lieu of receiving overtime pay up to a maximum of forty (40) hours per year. At the end of the fiscal year, unused comp time will be paid to the employee. Unused comp time will not be carried over into the next fiscal year. An employee's comp time balance shall be paid in accordance with applicable law upon cessation of employment. An employee's request to use comp time on the date requested may be denied if it would unduly disrupt the operations of the City.
- D. When the governor of the State of Florida, Mayor of St. Pete Beach or representative of another local jurisdiction officially declares a state of emergency covering St. Pete Beach, employees performing essential services shall be required to work as deemed necessary by the City Manager.

14.04 ASSIGNMENT AND WORKING OVERTIME

- A. Overtime will be authorized or directed only when it is in the interest of the City and is the most practicable and economical way of meeting workloads or deadlines. Employees are to work only overtime as authorized but must report all hours worked to ensure compliance with the FLSA regardless of whether the work is authorized or not. Employees who work overtime without receiving authorization in advance may be disciplined.
- B. Employees are required to work overtime when assigned unless excused by their Supervisor. An employee desiring to be excused from overtime work assignments shall submit a request to the immediate Supervisor who shall rule on the request.

14.05 HOURS COUNTED

Hours of absence due to paid conference/training time, PTO, or jury duty will NOT be counted as hours worked for the purpose of determining eligibility for overtime. Only actual hours worked shall be counted for determining if overtime is worked.

14.06 CALL BACKS

When an hourly regular full-time employee who has worked his regular shift or more, is released to go home, leaves the City premises, and is called back to work, the employee shall be paid at the applicable hourly rate for three (3) hours, or the actual hours worked, whichever is greater.

Employees, who have worked for the City for at least twelve (12) months, and for at least 1,250 hours during the preceding twelve (12) months and who work at a location where the City has at least 50 employees within 75 miles, may:

 - 4. Because of a serious health condition which renders the employee unable to perform the essential functions of the employee's position.
 - 5. Because of a qualifying exigency (as defined below) arising out of the fact that the employee's spouse, child (of any age) or parent is a retired or reservist member of the military on active duty or has been notified of an impending call or order to active duty in support of a contingency operation. Leave under this subsection is not available for an employee whose family member is on active duty as a member of the Regular Armed Forces.
- B. Take up to twenty-six (26) weeks of unpaid leave in a single twelve (12) month period in order to care for the employee's spouse, domestic partner, child (of any age), parent or next of kin who is a military service member who is undergoing medical treatment, recuperation, or therapy, or who is in outpatient status, or who is otherwise on the temporary disability retired list, for a serious injury or illness incurred in the line of duty while on active duty in the Armed Forces.

18.02 DEFINITIONS

The following definitions apply for purposes of this Policy:

- A. Serious Health Condition -- A "serious health condition" means an illness, injury, impairment, or physical or mental condition that involves either: (1) inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical care facility, including any period of incapacity (i.e., the inability to work, attend school or perform other regular daily activities), or any

subsequent treatment in connection with the inpatient care; or (2) continuing treatment by health care provider, as defined by the FMLA and the pertinent regulations.

- B. Serious injury or illness – A “serious injury or illness” means an injury or illness incurred by a military service member in the line of duty on active duty that may render the service member medically unfit to perform the duties of his or her office, grade, rank or rating.
- C. Child – Except as otherwise noted in this policy, “child” means a biological, adopted or foster child; a stepchild; a legal ward; or a child of a person standing in loco parentis (in the place of a parent) and who is either under the age of eighteen (18) or, if older than the age of eighteen (18), is incapable of self-care because of a mental or physical disability.
- D. Parent – Parent means a biological, adoptive, step or foster parent, or any other individual who stood in loco parentis (in the place of a parent) to the employee when the employee was a child. Parent does not include parents “in law.”
- E. Next of Kin – The “next of kin” of a military service member means the nearest blood relative other than the service member’s spouse, parent or child, in the following order of priority (unless the service member has specifically designated in writing another blood relative as his nearest blood relative for purposes of military caregiver): (1) blood relatives who have been granted legal custody of the service member, (2) brothers and sisters, (3) grandparents, (4) aunts and uncles and (5) first cousins.
- F. Qualifying exigency – A “qualifying exigency” includes leave taken for any of the following reasons : (1) to address any issue resulting from an impending call to active duty deployment on less than seven days’ notice, (2) to attend military events and related activities (such as a military ceremony, briefing, family support program, etc.), (3) to make arrangements relating to childcare and school activities, (4) to make financial and legal arrangements, (5) to attend counseling, (6) to spend time with a covered military member who is on a short-term, temporary rest and recuperation leave during the period of deployment, (7) to attend post-deployment activities (such as a military ceremony, event, reintegration briefing, etc.), and (8) any other exigency agreed upon by the City and employee.

18.03 MEASURING THE TWELVE-MONTH PERIOD AND COUNTING FMLA LEAVE

- A. For leave taken for any of the reasons listed in Section 1(A), the twelve (12) month period in which eligible employees may take twelve (12) weeks of leave will be calculated using a “rolling” twelve month period measured backward from the date an employee uses any FMLA leave. At any time when a need for FMLA leave arises, the amount of FMLA that an employee would be entitled to use is measured by counting how much FMLA leave the

employee has used during the prior twelve months. If during that prior twelve-month period the employee has already used 12 weeks of FMLA leave, the leave is exhausted. If the employee has not used twelve weeks of FMLA leave during the prior twelve-month period, he or she is entitled to the balance of the twelve weeks that has not been used. For example, if an employee used four weeks of FMLA leave beginning 2/1/11, four weeks beginning 6/1/11, and four weeks beginning 12/1/11, the employee would not be entitled to any additional leave until 2/1/12. However, beginning on 2/1/12, the employee would be entitled to four weeks of leave, on 6/1/12 the employee would be entitled to an additional four weeks of leave, etc.

- B. For leave taken for the reason listed in Section 1(B), the single twelve (12) month period for calculating leave needed to care for a military service member begins when the employee first starts taking leave for that reason and ends twelve (12) months after that date. Leave under Section 1(B) may not exceed twenty-six (26) weeks in any single twelve (12) month period when combined with other FMLA-qualifying leave under any section of this policy.
- C. For leave taken for the birth of a child or placement of a child for adoption or foster care, the entitlement to leave under this policy expires twelve (12) months from the date of the child's birth or placement.
- D. If both spouses/domestic partners work for the City, the combined leave shall not exceed twelve (12) weeks in a twelve (12) month period if the leave is taken for the birth of the employee's child, or to care for the child after birth, for the placement of a child with the employee for adoption or foster care, or to care for the employee's parent with a serious health condition.
- E. If both spouses/domestic partners work for the City the combined leave shall not exceed twenty-six (26) weeks of leave during the single twelve (12) month period described in Section 3(B) above if the leave is taken for the birth of the employee's child, or to care for the child after birth, for the placement of a child with the employee for adoption or foster care, to care for the employee's parent with a serious health condition, or to care for a service member with a serious injury or illness.
- F. To the extent allowed by law, in the event an absence is for a reason covered by this policy, the City reserves the right to count it as FMLA leave whether the employee has requested FMLA leave or not. Leaves covered by workers' compensation and/or a disability plan will also be counted as FMLA leave to the extent the leave qualifies under this policy.

18.04 INTERMITTENT LEAVE OR LEAVE ON A REDUCED SCHEDULE BASIS

- A. In the case of leave based upon a serious health condition or a service member's serious injury or illness, leave may be taken intermittently or on a reduced schedule basis, but only if such leave is medically necessary and

the medical need can be best accommodated by intermittent leave or a reduced schedule. If intermittent leave or leave on a reduced hour's basis is required for planned medical treatment, the employee is required to make reasonable efforts to schedule the treatment so as not to unduly disrupt the City operations.

- B. In the case of leave for the birth or placement of a child in adoption or foster care, intermittent leave or working a reduced schedule is not permitted unless the City, in its sole discretion, elects to allow it.
- C. In the case of leave based upon a qualifying exigency, leave may be taken intermittently or on a reduced schedule basis.
- D. If intermittent leave or leave on a reduced hours leave is required or provided, the City may, in its sole discretion, temporarily transfer the employee to another position for which the employee is qualified with equivalent pay and benefits that better accommodates that type of leave.

18.05 EMPLOYEE NOTICE AND CERTIFICATION REQUIREMENTS

- A. For leave that is foreseeable, the employee must provide the City with at least thirty (30) days' notice. If the need for leave is not foreseeable, the employee is required to provide the City with as much notice as is practicable once the need for leave becomes known. Requests for leave should be on approved forms which are available from HR.
- B. The City will require that leave based upon a serious health condition, or a service member's serious injury or illness, be supported by a medical certification from a health care provider. In accordance with applicable regulations, the City may request, at the City's expense, a second opinion from a health care provider of the City's choice (as well as a third opinion if the second opinion conflicts with the first opinion). The City will require that medical certification be submitted showing that a request for intermittent leave or leave on a reduced schedule basis is medically necessary.
- C. The City may require subsequent medical recertification of an ongoing condition from the employee's health care provider every six (6) months in conjunction with an absence, or more often to the extent permitted by applicable law.
- D. The City will require that leave based upon a qualifying exigency also be supported by a certification and supporting documentation, including a copy of the military member's active duty orders or other similar documentation.
- E. Certification forms to be completed under this section are available from HR. If an employee's certification or recertification is deemed by the HR to be incomplete, the HR Administrator will notify the employee of the deficiency and the employee will be provided seven (7) days to cure the deficiency. A failure to complete the certification may result in the denial of leave for the period of time until the completed certification is submitted.

- F. During leaves under this policy, the employee must periodically report on their medical status and intent to return to work. Upon taking such leave, the employee will be advised of the reporting requirements.
- G. For leave taken because of the employee's own serious health condition, the employee is required to furnish a medical certification from his or her health care provider advising that the employee is able to safely resume performing the essential functions of his or her position before the employee will be allowed to return to work.

18.06 HEALTH INSURANCE PREMIUMS

- A. During leaves of absence under this policy, the City will continue to pay its portion of the health insurance premiums and maintain the employee's coverage under the health plan in the same manner as if the employee had been continuously employed during the entire leave period, provided the employee continues to pay his or her share of the premiums.
- B. Should the employee fail to continue to pay his or her share of the premium, notices of proposed insurance cancellation and the opportunity to pay the premium as required by the FMLA will be provided before the cancellation.
- C. The employee will be advised in advance of any changes in premiums so that he or she will have ample opportunity to make arrangements to continue to pay his or her share of the premiums during the FMLA leave.
- D. If the employee does not return to work after the expiration of the leave, the employee will be required to reimburse the City for the employee portion of health insurance premiums during the family leave as permitted by law, unless the employee does not return due to a serious health condition which prevents the employee from performing his job or circumstances beyond the control of the employee. To avoid required reimbursement, appropriate certification from a health care provider may be required if the employee does not return to work because of a serious health condition.

18.07 ACCRUAL

During any period of leave under this policy, accrual of employment benefits, such as PTO and seniority, etc., shall continue. Pension benefits will be determined in accordance with applicable regulations, but employees will be required to make the pension contributions required, if any, under any City sponsored pension plan covering them. Employment benefits to which an employee may be entitled on the day on which the FMLA leave of absence begins will not be lost because of such leave, except for those paid leave days substituted for unpaid leave taken under this policy as described below. Upon return from FMLA leave, employees are entitled to any changes in benefit plans not dependent upon seniority or accrual during the leave period.

Employees will not be disqualified from bonuses based upon attendance or safety for which they qualified prior to leave because of the taking of FMLA leave.

18.08 SUBSTITUTION OF ACCRUED PAID LEAVE

- A. FMLA leave is generally unpaid. However, the City requires employees to use any accrued paid leave (including PTO, personal, etc.) that he or she may have while on FMLA. This means that the employee's FMLA leave under this policy will run concurrently with the use of any accrued paid leave. The employee will be notified of the designation when the leave begins.
- B. Where the leave is not unpaid but the employee is not receiving his or her full pay (such as when the FMLA is covered also by workers' compensation benefits or the employee is receiving compensation pursuant to a disability plan of insurance), accrued paid leave may be used to supplement the employee's pay to bring him or her up to their full salary, to the extent that both the City and the employee agree.

18.09 JOB RESTORATION UPON RETURN FROM FMLA LEAVE

With the exception of certain key employees, employees who return to work from FMLA leave of absence within or on the business day following the expiration of the leave are entitled to return to their job or an equivalent position with equivalent benefits, pay and other terms and conditions of employment. Designation of key employee status and whether such status will affect the employee's right to reinstatement will be made at the time the employee requests leave, or at the commencement of leave, whichever is earlier, or as soon as practicable thereafter if such determination cannot be made at that time.

18.10 FAILURE TO COOPERATE

Employees who fail to provide information to, or otherwise cooperate with, the City in administering this policy, or who provide intentionally untruthful information as to the facts upon which the FMLA leave was granted, may have their leave delayed and/or be subject to discipline up to and including discharge as permitted by law.

SECTION 20

(Other than FMLA or in the event that the employee does not qualify for FMLA)

20.01 LEAVE OF ABSENCE WITHOUT PAY

- A. A regular full-time employee may be granted leave of absence without pay for a period not to exceed one (1) year (inclusive of FMLA leave) for sickness, disability or other good and sufficient reasons which are considered to be in the best interest of the City. Such leave shall require the prior approval of the Department Director and the City Manager. Before requesting a leave of absence without pay, an employee must have exhausted all available PTO.
- B. If for any reason the leave of absence without pay is granted, such leave may subsequently be withdrawn, and the employee recalled to service if determined to be operationally necessary by the City.
- C. All employees on leave of absence without pay are subject to these rules.
 - 1. Subject to applicable law, leave without pay shall be granted only when the City determines it will not adversely affect the interests of the City.
 - 2. Failure of an employee to return to work upon expiration of approved leave should be considered job abandonment from the City, absent any unforeseen circumstances as determined by the City Manager.
 - 3. An employee granted a leave of absence without pay, and who wishes to return before the leave period has expired, must make a request to return early to his Department Director as soon as possible to discuss the possible return to work.
 - 4. No PTO, or holiday pay will be accrued or earned by an employee for the time that the employee is on leave without pay.
 - 5. An employee who obtains employment elsewhere, while on authorized leave of absence without pay, will be terminated by the City unless approval has been obtained in advance from the Department Director and the City Manager.
- D. An employee returning from a leave of absence without pay shall be entitled to employment in the same department and position as when the leave began, providing an opening exists. If no vacancies exist, the employee may be offered a lesser position for which he/she is considered

by the City to be qualified. If no such vacancies exist at the time, the employee may be terminated, or the leave extended at the option of the City.

SECTION 21

EFFECT OF LEAVES ON INSURANCE COVERAGE

21.01 EFFECT OF LEAVES ON INSURANCE COVERAGE

- A. **Compensable Leave.** The City shall continue the employee's group life, medical, dental and short-term disability insurance during compensable leave of absence provided the employee pays his share of the premium.
- B. **Workers' Compensation.** The City shall continue the employee's group life, medical, dental and short-term disability insurance during an unpaid leave of absence due to a valid workers' compensation injury or illness, provided the employee pays his share of the premium. If the employee's claim is later determined by law to be invalid, the employee shall reimburse the City for all premiums paid in his behalf during the injury. Failure to repay the City such premium upon demand or under terms agreeable to the City will result in termination of employment, and loss of accumulated sick and vacation leave to the extent necessary to cover the reimbursement. To the extent not fully reimbursed, the City may collect the premiums by any means allowed by law.
- C. **Other Non-Compensable Leave.** If an employee is on an unpaid leave of any type other than FMLA leave, he shall be responsible to pay the full premium for group life and medical insurance beginning the month in which the leave began. The employee shall be entitled to continue coverage for the period of the leave provided he pays the premiums subject to any restrictions imposed by the insurance carrier.

SECTION 22*

MILITARY

A military leave of absence will be provided to employees who are absent from work because of service in the U.S. uniformed services in accordance with federal and state law. In order to be eligible for military leave, advance notice of the need for leave is required, unless military service necessity prevents such notice, or it is otherwise impossible.

SECTION 23*

PROHIBITION OF HARASSMENT POLICY

23.01 POLICY

The City is committed to maintaining a work environment free of harassment based upon sex (including gender), race, national origin, ethnicity, disability, religion, color, age, pregnancy, veteran status, sexual orientation, marital status and any other status protected by law. The City will not tolerate the inappropriate harassment of any of its employees, customers or any other individual who does business with the City. It is the affirmative responsibility of all personnel for maintaining a workplace that is free from harassment and intimidation.

The City is committed to promptly and thoroughly investigating all complaints of harassment as set forth in this policy. If, after a thorough investigation, it is determined that inappropriate harassment has occurred in violation of this policy, immediate and appropriate disciplinary action, up to potential discharge, will be taken to promptly end the harassment. Appropriate follow-up steps will also be taken where necessary to ensure that the harassment ceases and does not re-occur.

23.02 DEFINITIONS AND EXAMPLES

A. Sexual Harassment

Improper harassment includes harassment on the basis of one's sex. Prohibited forms of sexual harassment includes, but is not limited to, unwelcome or offensive sexual advances, requests for sexual favors, and any other unwelcome or offensive physical, verbal or visual conduct of a sexual nature such as:

1. Unwelcome sexual propositions;
2. Sexual innuendo;
3. Sexually suggestive remarks;
4. Vulgar or sexually explicit comments, gestures, noises or conduct;
5. Sexually oriented kidding, teasing or practical jokes; and
6. Physical contact of a sexual nature such as brushing against another's body, pinching, grabbing, rubbing, hugging, poking or patting.
7. The publication, to anyone, of documents, objects, text, pictures, or

graphics in the workplace that contains material that is of a sexual nature.

8. Using the computer to access any content that contains material of a sexual nature.

Sexual harassment may occur when the intended target of the conduct is not offended, but others find the conduct to be intimidating, hostile, or offensive.

B. Other Forms of Prohibited Harassment

In addition to inappropriate sexual harassment, the City also prohibits harassment on the basis of gender, race, national origin, ethnicity, disability, religion, color, age, pregnancy, veteran status, sexual orientation, marital status or any other status protected by law. Any verbal or physical conduct of an offensive or harassing nature and which is based upon or directed toward any employee based upon any of these characteristics will not be tolerated. Such prohibited conduct includes, but is not limited to:

1. Derogatory, critical, offensive or uncomplimentary jokes, comments, displays, posters, other written materials based upon another's gender, race, national origin, disability, religion, color, age, pregnancy and marital status.
2. Any physical conduct taken against another individual because of his or her gender, race, national origin, disability, religion, color, age, pregnancy and marital status.
3. Teasing or making fun of another individual's ethnicity, accent, cultural or religious beliefs or practices, mental or physical disabilities or medical limitations and other similar characteristics.

23.03 THE PREVENTION OF HARASSMENT IN THE WORKPLACE IS EVERY EMPLOYEE'S RESPONSIBILITY.

All personnel are responsible for maintaining a workplace that is free of harassment and intimidation. If any person experiences or witnesses harassment in the workplace, he or she has an affirmative obligation to report the harassment to his or her supervisor or the HR Administrator. If, after an investigation is conducted, it is determined that harassment has occurred, and it is determined that any employee(s) failed to fulfill their affirmative obligation to report it, such a failure may be grounds for discipline.

Upon receiving a report of harassment, supervisors are responsible for immediately reporting it to HR, without regard to whether the harassment involves the supervisor's subordinate employee(s). Failure to report will be

grounds for discipline.

Additionally, supervisors, together with the HR, are responsible for ensuring that their employees are properly trained on the City's policies concerning prohibited harassment and retaliation.

23.04 COMPLAINT AND INVESTIGATION PROCEDURE FOR PROHIBITED HARASSMENT

A. Reporting Prohibited Harassment

Any employee who believes he or she has been the subject of harassment prohibited by this policy must immediately report the harassment to either (1) his or her supervisor; or, (2) the HR Administrator.

Employees are not expected to report harassment to the person they believe is harassing them. However, in such cases, employees are expected to report the harassment to another employee identified above. In the event that the harassment involves the employee's supervisor or the HR Administrator, the employee must immediately report the harassment to their Director or the City Manager.

If, after reporting the harassment as outlined above, the harassment continues or any further incidents of inappropriate behavior occur, employees must immediately report it. Since the City may not be aware that the harassment is ongoing or that its initial handling of the matter has not satisfactorily resolved the issues or caused the offending conduct to cease, employees are required to report any continuing harassment or new incidents of misconduct even where he or she has previously reported a complaint.

B. Sensitivity and Timeliness of Investigation

All complaints will be handled in a timely and sensitive manner. All investigations will be completed as promptly as the circumstances of the allegations allow.

C. Nature of Investigation and Prohibition of Retaliation

Investigation of a complaint will normally include conferring with the parties involved and any named or apparent witnesses. The investigation may also entail reviewing pertinent documents, e-mail communications, pictures and/or any other relevant physical evidence.

All persons who participate in such an investigation shall be protected from coercion, intimidation, retaliation, interference or discrimination for filing a complaint or participating in an investigation. Employees who believe they have been subjected to retaliation on the basis of having filed a report of harassment or having participated in an investigation, must

immediately report it pursuant to Section 23.04(A) above. Any employee determined to have retaliated against another individual in violation of this policy will be subject to discipline up to and including potential discharge.

D. Conclusion of Investigation

All investigations will be conducted in a fair and impartial manner. If, after a thorough investigation, it is determined that prohibited harassment or retaliation has occurred, immediate and appropriate action will be taken to promptly remedy any improper conduct and to ensure that no prohibited actions occur in the future. Such action may include discipline of anyone determined to be in violation of this policy, remedial training concerning the City's policies and procedures relating to prohibited harassment and retaliation, and any other measure determined to be necessary for the effective enforcement of this policy up to and including termination.

23.05 INTERNAL INVESTIGATION PROCEDURE

The following is the procedure for investigating and resolving claims of harassment or misconduct prohibited by this policy.

- A. All incidents, reports or complaints of harassment or misconduct should be filed or reported to the HR Administrator immediately. All such complaints, once filed, shall be investigated and handled exclusively by the City Manager in consultation with the City's Attorney or his designee, unless otherwise specifically provided in this procedure. However, an employee disciplined as a result of a finding of harassment or misconduct or filing a willful and intentional bad faith claim of harassment or misconduct shall be entitled to file a grievance in accordance with applicable policy or an applicable collective bargaining agreement.
- B. Because of the extremely sensitive nature of these types of problems and the potential "spill-over effect" on the job future and personal lives of all involved, the following procedures are established:
 1. When a complaint of harassment is made against an employee or person doing business with the City a complaint file will be opened by the HR Administrator which will be separate from the personnel file of the employee involved. Said file will be confidential to the extent allowed by Florida law and will be available only to the City Manager for the specific case, and;
 - a. The City Attorney or his designee;
 - b. Investigators, if any (until the investigation is completed)

assigned the specific case by the City Manager.

2. Investigators assigned to handling the complaint will not discuss any aspect of the investigation with anyone, except those persons who have access to the file as provided in Paragraph 1 above and then only upon request or as necessary to complete the investigation.
3. The investigators will be charged with the responsibility of gathering information relevant to the complaint. The identity of persons interviewed will remain confidential except to those persons enumerated in Paragraph 1 above unless otherwise directed by the City Manager or required by law.
4. Unless otherwise directed by the City Manager, the investigation will be supervised by the City Attorney or his designee.
5. Upon completion of the investigation the investigators will make a verbal report to the City Manager.
 - a. A record of the decision of management will be made in the separate file by the City Manager and the parties will be advised of the decision.
 - b. If the decision involved discipline of any employee other than oral reprimand (e.g., written reprimand, suspension or discharge) a copy of the actual notice of disciplinary action will be placed in the employee's personnel file.
 - c. If the person against whom the claim was made is exonerated or no disciplinary action other than oral reprimand is taken, no entry will be made in the personnel file. In such instance, the complaint investigation shall clearly state whether there was no merit to the complaint or that it was insufficiently serious to warrant discipline more severe than oral reprimand. If any oral reprimand was given, the City Manager shall prepare a memo explaining the oral reprimand. The complaint investigation file will not be disclosed to anyone other than as provided in Paragraph 1 above unless disclosure is required by law.

SECTION 25

PERFORMANCE EVALUATIONS

25.01 THE PERFORMANCE EVALUATION SYSTEM

- A. The process for rating the work performance and work attitude of employees accurately is important to the efficient operation of the City and the job opportunities for employees.
- B. Performance Evaluations (PEs) are given to evaluate the employee's work attitude, quality, quantity and performance and to assist the employee and management in recognizing strengths and weaknesses and to assist in improving areas identified as weak.
- C. PEs will be conducted annually for regular employees and on other occasions as determined necessary by the Director.

25.02 USE

In addition to assisting employees and management in achieving and maintaining acceptable or better job performance, PEs are considered in determining advancement, merit pay increases, disciplinary actions and other job-related actions.

A regular full-time employee may seek review of his PE under Section 13, provided the decision of the Director shall be final unless the employee alleges a violation of Section 1.05.

SECTION 26*

DRUG-FREE WORKPLACE AND ALCOHOL POLICY

26.01 POLICY

The City's Drug-free Workplace Policy is aimed at insuring "0" tolerance to illegal drugs at all times and its Alcohol-Free Policy to "0" tolerance under circumstances that affect or might affect the safety and well-being of employees, citizens and others, or the effective operation of City business. In addition, all employees required to have a Commercial Driver's License (CDL) under Chapter 49 CFR Part 383 are subject to controlled substance and alcohol testing rules established by the Federal Highway Administration (FHWA) under the Omnibus Transportation Employee Testing Act of 1991 (revised February 1994), in accordance with 49 CFR, Parts 40, 383, 392, 4, and 392.5 regulatory penalties for infractions are in addition to disciplinary action including termination of employment.

26.03 USE OF LEGAL DRUGS

The use of legal drugs, that is drugs prescribed by licensed physicians for a specific medical purpose, is often necessary. However, such drugs can and often do have a direct impact on the vigilance, judgment and/or coordination of the employee and adversely affect the employee's job performance and the employee's ability to work in a safe and efficient manner. This is particularly true in safety-sensitive assignments involving the operation of motor vehicles and other moving equipment. Therefore, an employee for whom a licensed physician or dentist prescribes a controlled substance, must advise the supervisor immediately in order that an evaluation can be made on the impact, if any, on the safe and efficient operation of the City.

26.04 TESTING

- b. When reasonable suspicion exists to believe the employee is using drugs or alcohol in violation of this policy. Reasonable suspicion is a belief by two (2) or more supervisors or managers that an employee is using or has used drugs or alcohol in violation of this policy drawn from specific objective and articulable facts and reasonable inferences drawn from those facts in light of experience. Among other things, such facts and inferences may be based upon:

 2. All test results will be kept confidential and will only be provided to managerial employees on a need-to-know basis.
 3. For tests under Section 26.04(B)(1)(b)(1) and (2), Employer shall meet with and inform an employee that, in the opinion of the Employer, there is a basis for reasonable suspicion and of the Employer's intention to schedule a drug or alcohol screen or test. At said meeting, the Employer shall consider the comments of the employee regarding the matter and shall then make a final determination of whether to proceed and require the screen or test.
 4. Employee may upon his request have a representative present at said meeting; however, the meeting shall not be delayed because the employee wishes to have a specific representative present. If it is determined by the Employer that a drug or alcohol screen or test will be required, the employee shall be immediately escorted to the appropriate facility for the test. Refusal by the employee to submit to said test may be grounds for disciplinary action, including termination of employment.
 5. If the employee is in a collective bargaining unit, the representative in subparagraph (4) above may be a Union representative.

26.05 REPORTING AND CONVICTION OF ALLEGED CRIMES INCLUDING DRUGS OR ALCOHOL

- A. All employees must report to their supervisor any arrest, indictment or conviction of a drug or alcohol related violation or alleged violation of law

not later than the next workday after they become aware of it. Failure to so report may result in immediate termination.

- B. Upon conviction of a crime involving illegal drugs, the employee will be immediately terminated.
- C. Without regard to prosecution or conviction by appropriate governmental entities, the City may, at its option, conduct its own independent investigation to determine whether or not there has been a violation of the City's drug and/or alcohol policy. If, in the opinion of the City, it believes a violation has occurred, it will take whatever disciplinary action it deems appropriate regardless of the ultimate outcome of any criminal case that may be brought against the employee.

26.06 DISCIPLINE FOR VIOLATION OF POLICY

Employees who violate this policy or who are directed to take a physical examination, blood, breathalyzer, urinalysis or other test allowed by law, and refuse or fail to do so when and as directed; or who, after having taken such examination and/or test are determined to have utilized illegal controlled substance at any time or to have violated the City's Alcohol Abuse Policy, shall be subject to immediate termination; provided, however, if the presence of an illegal controlled substance is established as a result of the test, the employee may, within five (5) working days of receipt of written notification of a positive result, request an opportunity to explain the result to the City and/or the medical review officer.

26.07 EMPLOYEE INJURED ON THE JOB

Any employee injured on the job who refuses to submit to a drug test, or has a positive confirmation test, in addition to other provision of the policy, may forfeit his eligibility for all workers' compensation medical and indemnity benefits depending on applicable law.

26.08 EMPLOYEE ASSISTANCE PROGRAM

The City has an Employee Assistance Program (EAP) with one of its missions being to assist employees who voluntarily report drug or alcohol related problems, which have not yet adversely affected their job or City operations. The City may require any employee in violation of this policy, whether he voluntarily reports his problem or not, to participate in the EAP or other medical and rehabilitative assistance programs as a condition for continued employment. For further information regarding the EAP, contact the HR Office.

- A. *Employees Who Voluntarily Ask for Help.* Employees with drug or alcohol related problems who wish assistance through the EAP may contact the EAP provider on a confidential basis or through the HR Office. If the request is made through the HR Office, City referrals will be made only upon execution by the employee of a release to the EAP provider to keep HR advised as to the employee's attendance and progress in the

rehabilitation program. If the employee has a satisfactory performance record and is otherwise qualified to perform his job, the City may grant the employee an unpaid leave of absence for a period determined by the City to participate in a City approved treatment or rehabilitative program. Such a leave will be granted only one (1) time. This employee will be responsible for all expenses resulting from the treatment or program to the extent they are not covered by insurance.

- B. *Other Employees.* In the event the City discovers a violation of this drug or alcohol policy, or an alcohol-related problem that adversely affects or may adversely affect the employee's performance or the City business, the City may proceed to discipline the employee up to and including discharge, or at its option, require the employee to undergo approved medical or rehabilitative assistance. The City may grant the employee leave with or without pay to participate in a rehabilitation program, including referral to the City EAP program. Such leave may be granted only one (1) time.
