years of participation and the denominator of which is ten (10). The reduction provided
by this subsection cannot reduce the maximum benefit below 10% of the limit
determined without regard to this subsection. The reduction provided for in this

(2) No member of the system shall be allowed to receive a retirement benefit or pension which is in part or in whole based upon any service with respect to which the member is already receiving, or will receive in the future, a retirement benefit or pension from a different employer's retirement system or plan. This restriction does not apply to social security benefits or federal benefits under Chapter 1223, Title 10, U.S. Code.

(m) Effect of direct rollover on 415(b) limit. If the plan accepts a direct rollover of an employee's or former employee's benefit from a defined contribution plan qualified under Code Section 401(a) which is maintained by the employer, any annuity resulting from the rollover amount that is determined using a more favorable actuarial basis than required under Code Section 417(e) shall be included in the annual benefit for purposes of the limit under Code Section 415(b).

SECTION 8: That Chapter 66, Article II General Employees' Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby amended by adding Section 66-112, Reemployment after retirement, to read as follows:

Section 66-112. Reemployment after retirement.

1. Any retiree who is retired under this system may be reemployed by any public or private employer, and may receive compensation from that employment without limiting or restricting in any way the retirement benefits payable under this system. Notwithstanding the previous sentence, reemployment by the city shall be subject to the limitations set forth in this Section.

2. After normal retirement. Any retiree who is retired under normal retirement pursuant to this System and who is reemployed as a General Employee after that Retirement and, by virtue of that reemployment, is eligible to participate in this System, shall upon being reemployed continue receipt of benefits if he is at least age sixty-two (62), otherwise the System shall discontinue receipt of benefits until he reaches age sixty-two (62). Upon reemployment, the Retiree shall be deemed to be fully vested and the additional Credited Service accrued during the subsequent employment period shall be used in computing a second benefit amount attributable to the subsequent employment period, which benefit amount shall be added to the benefit determined upon the initial retirement to determine the total benefit payable upon final Retirement. Calculations of benefits upon Retirement shall be based upon the benefit accrual rate, Average Final Compensation, and Credited Service as of that date (not including any period of DROP participation) and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, Average
Final Compensation, and Credited Service as of the date of subsequent retirement (based only on the subsequent employment period). The amount of any death or disability benefit received as a result of a subsequent period of employment shall be reduced by the amount of accrued benefit eligible to be paid for a prior period of employment. The optional form of benefit and any joint pensioner selected upon initial retirement shall not be subject to change upon subsequent retirement except as otherwise provided herein, but the Member may select a different optional form and joint pensioner applicable to the subsequent retirement benefit.

3. Any Retiree who is retired under normal retirement pursuant to this System and who is reemployed by the City after that Retirement and, by virtue of that reemployment is ineligible to participate in this System, shall, during the period of such reemployment, continue receipt of benefits previously earned if he is at least age sixty-two (62), otherwise the System shall discontinue receipt of benefits until he reaches age sixty-two (62). Former DROP participants shall begin receipt of benefits under these circumstances.

4. After early or disability retirement. Any Retiree who is retired under early or disability retirement pursuant to this System and who subsequently becomes an employee of the City in any capacity shall discontinue receipt of benefits from the System. If by virtue of that reemployment, the Retiree is eligible to participate in this System, the Retiree shall be deemed to be fully vested and the additional Credited Service accrued during the subsequent employment period shall be used in computing a second benefit amount attributable to the subsequent employment period, which benefit amount shall be added to the benefit determined upon the initial retirement to determine the total benefit payable upon final Retirement. Calculations of benefits upon retirement shall be based upon the benefit accrual rate, Average Final Compensation, Credited Service and early retirement reduction factor as of that date and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, Average Final Compensation (based only on the subsequent employment period), and Credited Service as of the date of subsequent retirement. The amount of any death or disability benefit received as a result of a subsequent period of employment shall be reduced by the amount of accrued benefit eligible to be paid for a prior period of employment. The optional form of benefit and any joint pensioner selected upon initial retirement shall not be subject to change upon subsequent retirement except as otherwise provided herein, but the member may select a different optional form and joint pensioner applicable to the subsequent retirement benefit. Retirement pursuant to an early retirement incentive program shall be deemed early retirement for purposes of this Section if the Member was permitted to retire prior to the customary retirement date provided for in the System at the time of retirement.

5. Reemployment of terminated vested persons. Reemployed terminated vested persons shall not be subject to the provisions of this Section until such time as they begin to actually receive benefits. Upon receipt of benefits, terminated vested persons shall be treated as normal or early Retirees for purposes of applying the provisions of this Section and their status as an early or normal Retiree shall be determined by the date they elect to begin to receive their benefit.

6. DROP participants. Retirees who were in the Deferred Retirement Option Plan shall, following termination of employment after DROP participation, have the options provided for in this Section for reemployment.

SECTION 9: That Chapter 66, Article II General Employees' Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby
amended by amending Section 66-113, Deferred retirement option plan, to read as follows:

Sec. 66-113. Deferred retirement option plan.

(a) Definitions. As used in this section 66-113, the following definitions apply:

(1) DROP means the City of St. Pete Beach General Employees' Deferred Retirement Option Plan.

(2) DROP account means the account established for each DROP participant under subsection (c).

(3) "Total return of the assets" -- For purposes of calculating earnings on a member's DROP account pursuant to subsection (c)(2)b.2., for each fiscal year quarter, the percentage increase (or decrease) in the interest and dividends earned on investments, including realized and unrealized gains (or losses), of the total Plan assets.

(b) Participation.

(1) Eligibility to participate. In lieu of terminating his employment as a general employee, any member who is eligible for normal retirement under section 66-101(a), of the system may, prior to October 1, 2012, elect to defer receipt of such service retirement pension and to participate in the DROP. Notwithstanding any other provision of this section, the DROP shall be closed to new participants effective October 1, 2012, and no member may enter the DROP on or after that date; provided, a member who is employed on September 30, 2012 and has attained age 55 or 25 years of credited service on that date may enter and participate in the DROP on or after October 1, 2012 in accordance with the provisions of this section.

(2) Election to participate. A member's election to participate in the DROP must be made in writing in a time and manner determined by the board and shall be effective on the first day of the first calendar month which is at least 15 business days after it is received by the board.

(3) Period of participation. A member who elects to participate in the DROP under subsection (b)(2), shall participate in the DROP for a period not to exceed 60 months beginning at the time his election to participate in the DROP first becomes effective. An election to participate in the DROP shall constitute an irrevocable election to resign from the service of the city not later than the date provided for in the previous sentence. A member may participate only once.

(4) Termination of participation.

a. A member's participation in the DROP shall cease at the earlier of:

1. The end of his permissible period of participation in the DROP as determined under subsection (b)(3); or

2. Termination of his employment as a general employee.
b. Upon the member's termination of participation in the DROP, pursuant to subsection 1. above, all amounts provided for in this subsection (c)(2), including monthly benefits and investment earnings or losses or interest, as applicable, shall cease to be transferred from the system to his DROP account. Any amounts remaining in his DROP account shall be paid to him in accordance with the provisions of subsection (d) when he terminates his employment as a general employee.

c. A member who terminates his participation in the DROP under subsection (b)(4) shall not be permitted to again become a participant in the DROP.

(5) Effect of DROP participation on the system.

a. A member's credited service and his accrued benefit under the system shall be determined on the date his election to participate in the DROP first becomes effective. The member shall not accrue any additional credited service or any additional benefits under the system (except for any additional benefits provided under any cost-of-living adjustment in the system) while he is a participant in the DROP. After a member commences participation, he shall not be permitted to again contribute to the system, nor shall he be eligible for disability, nor shall his estate or beneficiary be eligible for pre-retirement death benefits.

b. No amounts shall be paid to a member from the system while the member is a participant in the DROP. Unless otherwise specified in the system, if a member's participation in the DROP is terminated other than by terminating his employment as a general employee, no amounts shall be paid to him from the system until he terminates his employment as a general employee. Unless otherwise specified in the system, amounts transferred from the system to the member's DROP account shall be paid directly to the member only on the termination of his employment as a general employee.

(c) Funding.

(1) Establishment of DROP account. A DROP account shall be established for each member participating in the DROP. A member's DROP account shall consist of amounts transferred to the DROP under subsection (c)(2), and earnings or interest on those amounts.

(2) Transfers from retirement system.

a. As of the first day of each month of a member's period of participation in the DROP, the monthly retirement benefit he would have received under the system had he terminated his employment as a general employee and elected to receive monthly benefit payments thereunder shall be transferred to his DROP account, except as otherwise provided for in subsection (b)(4)b. A member's period of participation in the DROP shall be determined in accordance with the provisions of subsections (b)(3) and (b)(4), but
in no event shall it continue past the date he terminates his employment as a general employee.

b. Except as otherwise provided in subsection (b)(4)b., a member's DROP account under this subsection (c)(2) shall be debited or credited with either:

1. Interest at an effective rate of seven and one-half percent per annum compounded monthly determined on the last business day of the prior month's ending balance and credited to the member's DROP account as of such date (to be applicable to all current and future DROP participants); or

2. Earnings, to be credited or debited to the member's DROP account, determined as of the last business day of each fiscal year quarter and debited or credited as of such date, determined as follows:

   The average daily balance in a member's DROP account shall be credited or debited at a rate equal to the actual net rate of investment return realized by the system for that quarter. "Net investment return" for the purpose of this paragraph is the total return of the assets in which the member's DROP account is invested by the board net of brokerage commissions, transaction costs and management fees.

   For purposes of calculating earnings on a member's DROP account pursuant to this subsection (c)(2)b.2., brokerage commissions, transaction costs, and management fees shall be determined for each quarter by the investment consultant pursuant to contracts with fund managers as reported in the custodial statement. The investment consultant shall report these quarterly contractual fees to the board. The investment consultant shall also report the net investment return for each manager and the net investment return for the total plan assets.

Upon electing participation in the DROP, the member shall elect to receive either interest or earnings on his account to be determined as provided above. The member may, in writing, elect to change his election only once during his DROP participation. An election to change must be made prior to the end of a quarter and shall be effective beginning the following quarter.

c. A member's DROP account shall only be credited or debited with earnings or interest and monthly benefits while the member is a participant in the DROP. A member's final DROP account value for distribution to the member upon termination of participation in the DROP shall be the value of the account at the end of the quarter immediately preceding termination of participation for participants electing the net plan return and at the end of the month immediately preceding termination of participation for participants electing the flat interest rate return, plus any monthly periodic additions made to
the DROP account subsequent to the end of the previous quarter or month, as applicable, and prior to distribution. If a member is employed by the city as a general employee after participating in the DROP for the permissible period of DROP participation, then beginning with the member's first month of employment following the last month of the permissible period of DROP participation, the member's DROP account will no longer be credited or debited with earnings or interest, nor will monthly benefits be transferred to the DROP account. All such non-transferred amounts shall be forfeited and continue to be forfeited while the member is employed by the city as a general employee. A member employed by the city as a general employee after the permissible period of DROP participation will still not be eligible for disability benefits, nor shall his estate or beneficiary be eligible for pre-retirement death benefits, nor will he accrue additional credited service.

(d) Distribution of DROP accounts on termination of employment.

(1) Eligibility for benefits. A member shall receive the balance in his DROP account in accordance with the provisions of this subsection (d) upon his termination of employment as a general employee. Except as provided in subsection (d)(5), no amounts shall be paid to a member from the DROP prior to his termination of employment as a general employee.

(2) Form of distribution.

a. Unless the member elects otherwise, distribution of his DROP account shall be made in a lump sum, subject to the direct rollover provisions set forth in subsection (d)(6). A member may elect, in such time and manner as the board shall prescribe, to receive the optional form of benefit described below.

Until the value of the member's DROP account is completely depleted, payments in approximately equal quarterly or annual installments over a period, designated by the member, not to exceed the life expectancy of the last survivor of the member and his beneficiary. In the event that the member dies before all installments have been paid, the remaining balance in his DROP account shall be paid in an immediate cash lump sum to his beneficiary, or if none is designated, then to the member's estate.

b. Notwithstanding the preceding, if a member dies before his benefits commence, his DROP account shall be paid to his beneficiary in such optional form as his beneficiary may select. If no beneficiary designation is made, the DROP account shall be distributed to the member's estate.

(3) Date of payment of distribution. Except as otherwise provided in this subsection (d), distribution of a member's DROP account shall begin as soon as administratively practicable following the member's termination of employment. Distribution of the amount in a member's DROP account will not be made unless the member completes a written request for
distribution and a written election, on forms designated by the board, to either receive a cash lump sum or a rollover of the lump sum amount.

(4) Proof of death and right of beneficiary or other person. The board may require and rely upon such proof of death and such evidence of the right of any beneficiary or other person to receive the value of a deceased member's DROP account as the board may deem proper and its determination of the right of that beneficiary or other person to receive payment shall be conclusive.

(5) Distribution limitation. Notwithstanding any other provision of subsection (d), all distributions from the DROP shall conform to the "minimum distribution of benefits" provisions as provided for herein.

(6) Direct rollover of certain distributions. This subsection applies to distributions made on or after January 1, 2002. Notwithstanding any provision of the DROP to the contrary, a distributee may elect to have any portion of an eligible rollover distribution paid in a direct rollover as otherwise provided under the system in section 66-110.

(e) Administration of DROP.

(1) Board administers the DROP. The general administration of the DROP, the responsibility for carrying out the provisions of the DROP and the responsibility of overseeing the investment of the DROP's assets shall be placed in the board. The members of the board may appoint from their number such subcommittees with such powers as they shall determine; may adopt such administrative procedures and regulations as they deem desirable for the conduct of their affairs; may authorize one or more of their number or any agent to execute or deliver any instrument or make any payment on their behalf; may retain counsel, employ agents and provide for such clerical, accounting, actuarial and consulting services as they may require in carrying out the provisions of the DROP; and may allocate among themselves or delegate to other persons all or such portion of their duties under the DROP, other than those granted to them as trustee under any trust agreement adopted for use in implementing the DROP, as they, in their sole discretion, shall decide. A trustee shall not vote on any question relating exclusively to himself.

(2) Individual accounts, records and reports. The board shall maintain, or cause to be maintained, records showing the operation and condition of the DROP, including records showing the individual balances in each member's DROP account, and the board shall keep, or cause to be kept, in convenient form such data as may be necessary for the valuation of the assets and liabilities of the DROP. The board shall prepare or cause to be prepared and distributed to members participating in the DROP and other individuals or filed with the appropriate governmental agencies, as the case may be, all necessary descriptions, reports, information returns, and data required to be distributed or filed for the DROP pursuant to the Code, the applicable portions of the Act and any other applicable laws.

(3) Establishment of rules. Subject to the limitations of the DROP, the board from time to time shall establish rules for the administration of the DROP and the transaction of its business. The board shall have discretionary
authority to construe and interpret the DROP (including but not limited to
determination of an individual's eligibility for DROP participation, the right
and amount of any benefit payable under the DROP and the date on
which any individual ceases to be a participant in the DROP). The
determination of the board as to the interpretation of the DROP or its
determination of any disputed questions shall be conclusive and final to
the extent permitted by applicable law. The board shall also oversee the
investment of the DROP'S assets.

(4) Limitation of liability.

a. The trustees shall not incur any liability individually or on behalf of
any other individuals for any act or failure to act, made in good faith
in relation to the DROP or the funds of the DROP.

b. Neither the board nor any trustee of the board shall be responsible
for any reports furnished by any expert retained or employed by the
board, but they shall be entitled to rely thereon as well as on
certificates furnished by an accountant or an actuary, and on all
opinions of counsel. The board shall be fully protected with respect
to any action taken or suffered by it in good faith in reliance upon
such expert, accountant, actuary or counsel, and all actions taken
or suffered in such reliance shall be conclusive upon any person
with any interest in the DROP.

(f) General provisions.

(1) The DROP is not a separate retirement plan. Instead, it is a program
under which a member who is eligible for normal retirement under the
system may elect to accrue future retirement benefits in the manner
provided in this section 66-108 for the remainder of his employment,
rather than in the normal manner provided under the plan. Upon
termination of employment, a member is entitled to a lump sum
distribution of his or her DROP account balance or may elect a rollover.
The DROP account distribution is in addition to the member's monthly
benefit.

(2) Notional account. The DROP account established for such a member is a
notional account, used only for the purpose of calculation of the DROP
distribution amount. It is not a separate account in the system. There is
no change in the system's assets, and there is no distribution available to
the member until the member's termination from the DROP. The member
has no control over the investment of the DROP account.

(3) No employer discretion. The DROP benefit is determined pursuant to a
specific formula which does not involve employer discretion.

(4) IRC limit. The DROP account distribution, along with other benefits
payable from the system, is subject to limitation under Internal Revenue
Code Section 415(b).

(5) Amendment of DROP. The DROP may be amended by an ordinance of
the city at any time and from time to time, and retroactively if deemed
necessary or appropriate, to amend in whole or in part any or all of the
provisions of the DROP. However, except as otherwise provided by law, no amendment shall make it possible for any part of the DROP’s funds to be used for, or diverted to, purposes other than for the exclusive benefit of persons entitled to benefits under the DROP. No amendment shall be made which has the effect of decreasing the balance of the DROP account of any member.

(6) **Facility of payment.** If the board shall find that a member or other person entitled to a benefit under the DROP is unable to care for his affairs because of illness or accident or is a minor, the board may direct that any benefit due him, unless claim shall have been made for the benefit by a duly appointed legal representative, be paid to his spouse, a child, a parent or other blood relative, or to a person with whom he resides. Any payment so made shall be a complete discharge of the liabilities of the DROP for that benefit.

(7) **Information.** Each member, beneficiary or other person entitled to a benefit, before any benefit shall be payable to him or on his account under the DROP, shall file with the board the information that it shall require to establish his rights and benefits under the DROP.

(8) **Written elections, notification.**

a. Any elections, notifications or designations made by a member pursuant to the provisions of the DROP shall be made in writing and filed with the board in a time and manner determined by the board under rules uniformly applicable to all employees similarly situated. The board reserves the right to change from time to time and manner for making notifications, elections or designations by members under the DROP if it determines after due deliberation that such action is justified in that it improves the administration of the DROP. In the event of a conflict between the provisions for making an election, notification or designation set forth in the DROP and such new administrative procedures, those new administrative procedures shall prevail.

b. Each member or retiree who has a DROP account shall be responsible for furnishing the board with his current address and any subsequent changes in his address. Any notice required to be given to a member or retiree hereunder shall be deemed given if directed to him at the last such address given to the board and mailed by registered or certified United States mail. If any check mailed by registered or certified United States mail to such address is returned, mailing of checks will be suspended until such time as the member or retiree notifies the board of his address.

(9) **Benefits not guaranteed.** All benefits payable to a member from the DROP shall be paid only from the assets of the member’s DROP account and neither the city nor the board shall have any duty or liability to furnish the DROP with any funds, securities or other assets except to the extent required by any applicable law.

(10) **Construction.**
a. The DROP shall be construed, regulated and administered under the laws of Florida, except where other applicable law controls.

b. The titles and headings of the subsections in this section 66-113 are for convenience only. In the case of ambiguity or inconsistency, the text rather than the titles or headings shall control.

(11) *Forfeiture of retirement benefits.* Nothing in this section shall be construed to remove DROP participants from the application of any forfeiture provisions applicable to the system. DROP participants shall be subject to forfeiture of all retirement benefits, including DROP benefits.

(12) *Effect of DROP participation on employment.* Participation in the DROP is not a guarantee of employment and DROP participants shall be subject to the same employment standards and policies that are applicable to employees who are not DROP participants.

**SECTION 10:** That Chapter 66, Article II General Employees’ Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby amended by amending Section 66-114, Prior government service, subsection (5), to read as follows:

(5) In no event, however, may credited service be purchased pursuant to this section for prior service with any other governmental agency, if such prior service forms or will form the basis of a retirement benefit or pension from a different employer’s retirement system or plan as set forth in section 66-108, subsection (2).

**SECTION 11:** That Chapter 66, Article II General Employees’ Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby amended by amending Section 66-116 Benefits Effective October 1, 2012, subsection (b) Benefit amounts and eligibility, (1) Normal retirement date, to read as follows:

(b) (1) *Normal retirement age and date.* A member’s normal retirement age is the earlier of the attainment of age 60 and completion of 10 years of credited service, or 30 years of credited service regardless of age. Provided, a member with 10 or more years of credited service on September 30, 2012 shall be eligible for normal retirement at age 55 or upon completion of 25 years of credited service, regardless of age. Each member shall become one hundred percent (100%) vested in his accrued benefit at normal retirement age. A member’s normal retirement date shall be the first day of the month coincident with or next following the date the member retires from the city after attaining normal retirement age.
