(9) Written elections, notification.

a. Any elections, notifications or designations made by a member pursuant to the provisions of the DROP shall be made in writing and filed with the board in a time and manner determined by the board under rules uniformly applicable to all employees similarly situated. The board reserves the right to change from time to time the manner for making notifications, elections or designations by members under the DROP if it determines after due deliberation that such action is justified in that it improves the administration of the DROP. In the event of a conflict between the provisions for making an election, notification or designation set forth in the DROP and such new administrative procedures, those new administrative procedures shall prevail.

b. Each member or retiree who has a DROP account shall be responsible for furnishing the board with his current address and any subsequent changes in his address. Any notice required to be given to a member or retiree hereunder shall be deemed given if directed to him at the last such address given to the board and mailed by registered or certified United States mail. If any check mailed by registered or certified United States mail to such address is returned, mailing of checks will be suspended until such time as the member or retiree notifies the board of his address.

(10) Benefits not guaranteed. All benefits payable to a member from the DROP shall be paid only from the assets of the member’s DROP account and neither the city nor the board shall have any duty or liability to furnish the DROP with any funds, securities or other assets except to the extent required by any applicable law.

(11) Construction.

a. The DROP shall be construed, regulated and administered under the laws of Florida, except where other applicable law controls.

b. The titles and headings of the subsections in this section 66-335 are for convenience only. In the case of ambiguity or inconsistency, the text rather than the titles or headings shall control.
(12) **Forfeiture of retirement benefits.** Nothing in this section shall be construed to remove DROP participants from the application of any forfeiture provisions applicable to the system. DROP participants shall be subject to forfeiture of all retirement benefits, including DROP benefits.

(13) **Effect of DROP participation on employment.** Participation in the DROP is not a guarantee of employment and DROP participants shall be subject to the same employment standards and policies that are applicable to employees who are not DROP participants.

**SECTION 4.** That Chapter 66, Article IV Firefighters’ Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby amended by amending Section 66-338 Miscellaneous provisions, subsection (j) Missing benefit recipient, to read as follows:

* * *

(j) **Missing benefit recipients.** The system shall follow the procedures outlined in the IRS Employee Plans Compliance Resolution System (EPCRS) Program and other applicable IRS guidance to locate any missing individuals to whom a full unreduced benefit payment is due and if, at the conclusion of such efforts, the individual cannot be located, the existing procedure of cancelling payments otherwise due (provided that, if the individual is later located, the benefits due shall be paid) will apply.

**SECTION 5.** That Chapter 66, Article IV Firefighters’ Retirement System, Division 3 Benefits, of the Code of Ordinances of the City of St. Pete Beach, is hereby amended by amending Section 66-339.2 Reemployment after retirement, to read as follows:

Sec. 66-339.2. - Reemployment after retirement.

(a) Any retiree under this system may be reemployed by any public or private employer and may receive compensation from that employment without limiting or restricting in any way the retirement benefits payable under this system. Notwithstanding the previous sentence, reemployment by the city shall be subject to the limitations set forth in this section.

(b) **After normal retirement.** Any retiree who is retired under normal retirement pursuant to this system and who is reemployed as a firefighter and, by virtue of that reemployment, is eligible to participate in this system, shall upon being reemployed, discontinue receipt of benefits. Upon reemployment, the member shall be deemed to be fully vested and the additional credited service accrued during the subsequent employment period shall be used in computing a second benefit amount attributable to the subsequent employment period, which benefit amount shall be added to the benefit determined upon the initial retirement to determine the total benefit payable upon final retirement. Calculations of benefits upon retirement shall be based upon the benefit accrual rate, average final compensation, and credited service as of that date and the retirement benefit amount for any subsequent employment period shall be based upon the benefit accrual rate, average final compensation (based only on the subsequent employment period and not including any period of DROP participation), and credited service as of the date of subsequent retirement. The amount of any death or disability benefit received during a subsequent period of employment shall be reduced by the amount of accrued benefit eligible to be paid for a
prior period of employment. The optional form of benefit and any joint pensioner selected upon initial retirement shall not be subject to change upon subsequent retirement except as otherwise provided herein, but the retiree may select a different optional form and joint pensioner applicable only to the subsequent retirement benefit.

(c) Any retiree who is retired under normal retirement pursuant to this system who is reemployed by the city in a position other than as a firefighter, shall upon being reemployed, continue receipt of benefits for the period of any subsequent employment period. Former DROP participants shall begin receipt of benefits under these circumstances.

(d) After early retirement. Any retiree who is retired under early retirement pursuant to this system and who subsequently becomes an employee of the city in any capacity shall discontinue receipt of benefits from the system. If the reemployed person, by virtue of his reemployment, is eligible to participate in this system, that person shall accrue a second benefit as provided for in subsection (2) above and benefit payments shall remain suspended during any such subsequent employment period. If the reemployed person is not eligible to participate in this system, that person's pension benefit payments shall be suspended until the earlier of termination of employment or such time as the reemployed retiree reaches the date that he would have been eligible for normal retirement under this system had he continued employment and not elected early retirement. “Normal retirement” as used in this subsection shall be the current normal retirement date provided for under this system.

(e) After disability retirement.

(1) Subject to paragraph (2) below, any retiree who is retired under Section 66-328, Disability (“disability retiree”), may, subject to subsection (e), Physical examination requirement, of that section, be reemployed by any public or private employer, and may receive compensation from that employment without limiting or restricting in any way, the retirement benefits payable under this system.

(2) Any disability retiree who subsequently becomes an employee of the city in any capacity, except as a firefighter, shall discontinue receipt of disability benefits from the system for the period of any such employment.

(3) If a disability retiree is reemployed as a firefighter for the city, his disability benefit shall cease and Section 66-328, subsection (e) shall apply.

(f) Reemployment of terminated vested persons. Reemployed terminated vested persons shall not be subject to the provisions of this section until such time as they begin to actually receive benefits. Upon receipt of benefits, terminated vested persons shall be treated as normal or early retirees for purposes of applying the provisions of this section and their status as an early or normal retiree shall be determined by the date they elect to begin to receive their benefit.

(g) DROP Participants. Retirees who were in the Deferred Retirement Option Plan shall, following termination of employment after DROP participation, have the options provided for in this section for reemployment.

SECTION 6: Codification.
This Ordinance shall be codified in the Code of Ordinances of the City of St. Pete Beach.

SECTION 7: Severability.

If any portion, part or section of this ordinance is declared invalid, the valid remainder hereof shall remain in full force and effect.

SECTION 8: Repeal of Ordinances in Conflict.
